Congressman Dent opposes reinstating the draft

U.S. Rep. Charlie Dent (PA-15) today expressed his opposition to reinstating the military draft.

“I oppose any Congressional action to reinstate the draft at this time,” Congressman Dent said. “Our all-volunteer armed forces are dedicated, highly skilled, professional, and able to protect America and project strength around the world. I believe it is a testament to America’s greatness that every soldier, sailor, airman, and Marine today is a volunteer.”
